

Selection Criteria

Dear all,

In selecting candidates for enrolment in the Orientation Programme/Refresher Course of the UGC Human Resource Development Centre courses we observe the following criteria:

1. Application should reach on or before the last date.
2. Applicants from Aligarh and the catchment area (Dr. B.R. Ambedkar University, Agra, C.C.S. University, Meerut and M.J.P. Rohelkhand University, Bareilly) are given top priority.
3. After selecting the candidates from the above category, if there are seats, other applicants are considered on the basis of their distance from Aligarh in accordance with the national economy drive.
